

TECHNOLOGY AND SAFETY

All-round Protection

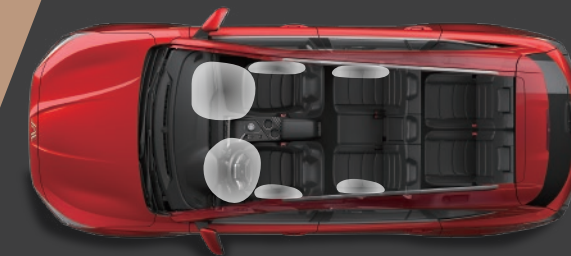

The 60.4% high-strength steel proportion, creates a secure cage-like body structure, providing comprehensive protection for the driver and passengers inside the vehicle.

Intelligent Safety Equipment

ACC/AEB/BSM/F-CW, assisting drivers in coping with unexpected situations.

Equipped with 6 Standard Airbags

Provides comprehensive protection for all passengers in case of a collision.

360° Camera + Rear and Front Parking Sensors

Provides a complete panoramic view around the vehicle, making parking maneuvers easier and significantly improving driving safety and comfort.

JAC MOTORS | BETTER DRIVE BETTER LIFE

J58 PRO

Larger space, more happiness.

**ELEGANCE
FOR
YOUR BUSINESS.**

**SPACE
FOR
YOUR FAMILY.**

JAC JS8 PRO creates a spacious, intelligent, and inviting "on-the-go living space" for a cozy and comfortable home-away-from-home experience. It's larger than your imagination and is ideal for enjoying memorable vacations with family, friends and even pets.

All LED Headlamps

JS8 PRO is equipped with a lamp sensor and fully LED optics with LED daytime running lamps, home guidance and welcome lamp functions.

Sensing Electric Tailgate

Open the tailgate with a kick sensor, freeing your hands.

Larger Trunk

418-2153L flexible trunk storage space to meet different usage scenarios.

AESTHETICS IN EVERY DETAIL.

Dual 12.3-inch HD Screens

The display configuration is designed to enhance user interaction with the vehicle by providing essential information and entertainment. Divided into two sections, it allows different content to be displayed simultaneously, delivering a more connected and intuitive driving experience.

Panoramic Roof

Blending intelligent design and functionality, it allows more natural light to enter, creating a feeling of spaciousness and connection with the outside, improving the driving experience.

Spacious Room

JS8 PRO's interior with its spaciousness and ergonomic seats will allow all participants of the trip to enjoy every kilometer of the road.

Intelligent Knob Shift

Metal wire drawing texture panel. Physical buttons for A/C control.

CHOOSE YOUR COLOR.

The design of the new JAC JS8 PRO combines elegance, embodying the best of power and sophistication. Each element is carefully designed to attract attention.

EXTREME RED

ONYX BLACK

ARCTIC WHITE

COMFORT

Space and comfort guaranteed.

With its three rows of seats and ample cargo space, it strikes the perfect balance between comfort, capacity, and versatility, making it an ideal choice for long family trips.

- Wireless 60W fast charging for phones.
- Independent A/C in the third row.
- USB charging in the third row.
- Cold and hot armrest box.
- Surrounding ambient lamp strip.
