BETTER DRIVE
BETTER LIFE

All-New JS6
Your First Smart Family SUV

New Exterior Design

Inspired Front Face

Seamless Light Strip

Fluid Curved Silhouette

MIS (Modular Intelligence Structure)

Superior Performance

Built with a low center of gravity and enhanced powertrain, precision control, advanced chassis architecture, optimized suspension, and dynamic tuning to deliver outstanding driving performance.

Intelligent Technology

Features a domain-centralized electronic architecture with centralized computing, modular software and hardware separation, and plug-and-play hardware design, enabling advanced L2 autonomous driving capabilities.

Flexible Iteration

Offers highly adaptable configurations for wheelbase, width, and height, providing users with greater customization options while reducing both purchase and maintenance costs.

New Interior Design

Steering Wheel with 4-Way Adjustment and Variable Steering Effort

Electronic Shift Knob

Physical AC Controls

Rear Flat Floor

Panoramic Sunroof

Sport-Style Leather Seats

Electric Parking Brake with AUTOHOLD

24.6-inch Dual-Panel Display

Enjoy a Technological Life

Hands-Free Power Tailgate

670-1080L Large Trunk Capacity

Wireless Smartphone Charging +
Wireless Apple CarPlay & Android Auto

Wireless Charging

Central Armrest Box with A/C Vent

Handbag Shelf

360° Panoramic Camera System

Child Safety Locks + One-Touch Power
Windows with Anti-Pinch Function

The new JS6 brings cutting-edge technology into every detail of your journey. Here, you and your family can enjoy the seamless convenience of intelligent features—while experiencing the warmth, comfort, and sense of home in this mobile living space.

The Upgraded Powertrain

7-speed Dual-Clutch Transmission (7-DCT);
Turbocharged Gasoline Direct Injection (GDI) engine;
Dual camshafts, and Double VVT technology.

- Max Power 135 kW
- Max Torque 300 N·m
- Acceleration (0-100km/h) 9.8 s

135^{kW} 300^{N·m} 9.8^s

Protection System

C-NCAP Five-Star
Safety Rating

Advanced Driver Assistance System (ADAS)

LDW Lane Departure Warning +LKA Lane Keeping Assist

- Cross the line while driving, make an alarm and automatically fix the direction to stay in the center of the lane

BSD Blind Spot Detection

- Monitor the vehicle's blind spot when backing up and changing lanes, and alert you if there is any danger in time

HMA High Beam Assist

- Intelligent judgment of the driving environment, automatic high beam and low beam switching.

ACC Adaptive Cruise Control

- Intelligent assisted driving, automatically follow and stop

AEB Autonomous Emergency Braking+FCW Forward Collision Warning

- Front millimeter wave radar and front view camera overview, timely warning and automatic braking in case of emergency!
